Helm CONNECT :: Personnel

Meet Crew Scheduling

Plan crew schedules, review crew changes submitted by your assets, and approve or adjust days worked.

- Plan your crew schedules based on asset manning requirements
- Clearly see if crew are certified to work as you plan the schedules
- View schedules by date, by asset, by person, or across your whole fleet
- Automatically notify your crew by email when schedules are created or adjusted
- Review, adjust, approve, or deny crew on/off events submitted by your assets

"[We chose Helm CONNECT because] we were unhappy with our current system and Helm seemed more streamlined and user friendly for both vessel crew and office staff. Additionally it seemed the Helm crew was very helpful and updates were plentiful (as well as room to grow alongside our company). Our crew is more eager to learn and use it - the storage of information is much cleaner and more accessible than before."

- Joshua Vanasse
  Assistant Engineer, Curtin Maritime
